To: BOMA of Southern Colorado

April 9, 2020

As we continue to navigate the COVID-19 pandemic, BOMA is actively working to provide commercial real estate professional with credible information on how to mitigate the potential health and business impacts. Based on information from the U.S. Centers for Disease Control and Prevention (CDC), BOMA International has released a series of guidance documents to help property professional address this public health crisis.

BOMA continues to monitor the latest COVID-19 developments, and additional resources are being posted regularly to [www.boma.org/coronavirus](http://www.boma.org/coronavirus). These resources include webinar recordings, relevant articles and links to helpful documents, websites and expert analysis. Member are encouraged to review the CARES ACT Congress passed on March 27,2020, the BOMA International's advocacy staff has itemized the measures that may affect your businesses, your employees and your tenants.

Warm Regards,

**Tyrone Johnson**

President. BOMA of Southern Colorado

The mission of BOMA of Southern Colorado is to advance the commercial real estate industry through advocacy, knowledge exchange, and professional development. BOMA of Southern Colorado's members are building owners, managers, developers, leasing professionals, corporate facility managers, asset managers, and the providers of the products and services needed to operate commercial properties.
